GETAC F110
ACCESSORY SPEC BROCHURE

Redefining What It Truly Means To Be Mobile
Features & Benefits
The F110 Bracket with Rotating Hand Strap and kickstand comes in four different models. Each is designed to accommodate the F110 units with specific configurations. The hand strap is adjustable to fit most hand sizes and can be rotated at 360 degrees for effortless changing to any viewing you like. It also includes a built-in kickstand that allows for handsfree usage on flat surfaces. The brackets are designed with a pen holder, providing a form-fitting area to store your stylus/digitizer pen when it’s not being used.

Product Information
Dimensions : Approx.
L 315 x W 195 x H 16 mm

Features & Benefits

This shoulder harness has four snap hooks that attach to the D-rings on the four corners of the “F110 Bracket with Rotating Hand Strap & Kickstand” (sold separately) and can be easily detached as well. This wearable strap allows you to carry your tablet handsfree, which allows you to view the screen while working with two hands. It also delivers optimal support and a comfortable fit during movement, thanks to its wide soft padding and adjustable straps.

Product Information

Dimensions : 480 x 260mm
Main Material : Polyester

* The F110 Bracket with Rotating Hand Strap & Kickstand - sold separately, is required for use with the Shoulder Harness.

FOLIO CASE

Features & Benefits

Specifically designed for the F110, the folio case features a durable, leather-look cover that perfectly wraps around the tablet to protect it from scrapes, dirt, and impact without getting in the way of accessing ports and controls. The front flap with built-in anti-slip stripes allows you to set up multiple horizontal stand angles for handsfree viewing. A pen holder is also integrated into the case for easy access and storage of your stylus or digitizer pen. For added convenience, the case includes four D-ring connectors for easy attachment of the shoulder strap or shoulder harness (sold separately). This provides versatility and allows the tablet to be transported in a number of ways.
